

Test Certificate in Compliance with the Equipment Safety Law

Certificate-no.: 03WIS0095-01

Certificate holder: Mettler-Toledo GmbH
Unter dem Malesfelsen 34
72458 Albstadt
Germany

Manufacturing site: Mettler Toledo GmbH
Unter dem Malesfelsen 34
72458 Albstadt
Germany

Product: Weighing terminal
Type: ID30-Elobox-1
ID30-HMI-Box-2

Description of product: 100-240VAC, 50-60Hz, 550-250mA
Class II

Test report no.: 03WIS001415 of 5 February 2003

Tested according to: EN 61010-1:2001

Result: The above-designated device is in compliance with the judicial requirements of the Equipment Safety Law or the currently accepted rules of technology as well as the work protection and accident prevention regulation and complies with §3 of the Equipment Safety Law.

Valid until: 7 March 2008

The certificate holder or his designated representative commit themselves to manufacture the product in accordance with the tested samples and to enable ITS to monitor the manufacturing process and the lawful use of the GS-designation.

This certificate becomes invalid if the holder does not meet the commitments described above or the requirements according to § 3 of the Equipment Safety Law changes.

This type examination certificate gives the certificate holder the right to mark all devices that are identical to the above designated sample with the logo in the margin.

This translation is only valid in combination with the German original.
