

Dot-Matrix Printers

Printout Durability Statement

Printout stability

Under correct storing conditions, the printout using "Impact Printer Ribbon ERC 09" on "Paper roll dot matrix" or "Paper roll dot matrix adhesive" is stable for **more than 15 years**.

Concerned materials

Using the following original parts sourced directly from METTLER TOLEDO or its distribution partners:

- 72456 Paper roll Dot Matrix
- 11600388 Paper roll Dot Matrix adhesive
- 65975 Impact Printer Ribbon ERC 09 (Pack of 2)
- 44000250 Impact Printer Ribbon ERC 09 (Pack of 10)

- All METTLER TOLEDO Dot Matrix printers: P25, P26, P28 & P-52RUE

The use of any other Dot Matrix paper roll, ink ribbon or printer is not tested, especially regarding printout image stability.

Correct printout storage conditions

- Temperature: +15°C to +25°C
- Rel. humidity: 40% to 50%
- Protected from direct light / UV
