ACT100 –Transmitter

Software (Firmware) History of Changes

September 2019
Firmare Version 1.00.0001

METTLER TOLEDO

Contents

1 Introduction

This release chart describes the changes in the firmware for ACT100 Transmitter.

2 Supplier Declaration

METTLER TOLEDO is certified according to ISO 9001. All products of the METTLER TOLEDO business unit "OEM" are developed and manufactured based on the internationally recognized ISO 9001 quality system.

- The software is developed based on a life cycle model, using defined documentation, programming and test guidelines.
- All suppliers of system components must be formally assessed. Obviously standard products are an exception.
- The individual phases of the life cycle model and their working results are subject to a formal review (milestones).
- All documents and approved system components are subject to the modification check.
