Compact and space-saving

Fits behind any sales counter

Compact design
The slimline, compact design of the scale saves space at sales counters, does not create any visual barriers between staff and customers, and grants your staff fast and easy access to products on the sales counter.

Ergonomic design
The touchscreen interface and customer display on the UC-CT-S compact scale are adjustable. This makes weighing easy for your sales staff, and allows your customers to keep a close eye on all price and weighing information.

User-friendly operation
Fast, interactive, and effortless to use. The backlit LED 12.1" touchscreen offers exemplary convenience – for both weighing and price marking. This ensures that all operations on the scale are quick and easy to perform.

Simple hygiene
Functional design. Slimline, classic designs fit in perfectly with modern store design. Easy on the eyes – and at the same time extremely practical and hygienic. Daily cleaning and care of the scale are made easy thanks to its heavy-duty and easily cleanable surfaces.

UC-CT-S
Slimline PC-based compact scale with touchscreen operation

The UC-CT-S compact PC-based scale offers specialist stores an affordable entry into the performance class of METTLER TOLEDO PC-based scales with touchscreen operation at the service counter. The compact PC-based UC-CT-S scale is ideally suited for the hot food counter. Thanks to its slimline design and small footprint, it is also perfect for sales counters where staff requires unrestricted access to all article and sales information – ensuring fast weighing and customer service.

METTLER TOLEDO

- **Compact design – small footprint**
- **Customer display at housing level – unrestricted access to sales information**
- **Ergonomic operation – adjustable touchscreen**
- **Diverse printer options – can also be used for price marking**

Entry into the touchscreen class

The UC Evo Star Line is the METTLER TOLEDO range of PC-based scales for retailers with a small or medium-sized product range. PC scales in the UC Evo Star Line combine touchscreen convenience with fast weighing and operations – the perfect choice for specialist stores and small retailers.
